Application Title: WILD GAME CALLER HOUSING

TO THE HONORABLE COMMISSIONER OF PATENTS & TRADEMARKS  
Washington, DC 20231

## RECONSIDERATION REQUEST and INTERVIEW SUMMARY

Applicant John F. Finley ("Applicant"), through the undersigned attorney of record, hereby requests reconsideration of the Final Action mailed 1 July 2002 (the "Final Action"), and summarizes the telephone interview with the Examiner on 31 October 2002, as follows:

## II. AMENDMENTS TO THE CLAIMS

1. (Amended.) A [device for] housing device for [the] a frame containing [the] one or more reeds [reed(s)] in a caller for producing sound to attract wild game, said housing device comprising essentially planar elastomeric material defining an essentially planar cavity adapted to relatively snugly capture the frame without interfering with the sound producing characteristics of the reed(s).

3. (Amended.) A housing device described in claim 2 wherein the caller essentially includes a pair of essentially horseshoe-shaped planar halves foldedly joined at their ends, each half
